## OVERVIEW

Formerly known as PTLLS, this Level 3 Award gives new and aspiring trainers a grounding in the roles and responsibilities of a teacher, inclusive teaching and learning methods, and the basics of assessment. No previous qualifications or teaching experience are needed, just a subject you're confident to train others in. The course is delivered entirely online through BSA's Virtual Learning Environment, with a dedicated tutor supporting you from enrolment to certification.

## WHO IS IT FOR?

Ideal for anyone planning to teach or train in further education, adult education or vocational settings, and equally suited to people already working in sectors such as healthcare, construction, beauty, hospitality, IT or business who need to train colleagues or apprentices.

## DURATION & DELIVERY

We offer two flexible study options, both delivered 100% online with full tutor support via BSA's Virtual Learning Environment: Standard (up to 4 months) and Fast Track (as little as 4 weeks).

## ASSESSMENT & VERIFICATION

Assessed by portfolio rather than exam, internally marked by BSA's qualified assessors and externally verified by Focus Awards.

- 3 written assignments
- 1-hour micro-teaching session

## PRACTICAL REQUIREMENTS

- Teach for at least one hour to a small group of peers or learners, in person or online
- Or teach for 15 minutes and observe others for 45 minutes
- Or teach for one hour at work, observed by a mentor, supervisor or assessor

## CAREER PATHS

Graduates commonly move into further education and adult education teaching, vocational and apprenticeship training, or in-house staff training roles across industry.
