Overview

This certificate develops your ability to prepare for academic research activities through the design and development of a research proposal, building a fundamental understanding of the practical, philosophical and ethical concepts of research within an academic environment. It's accredited by UK Ofqual and delivered 100% online.

Duration & delivery

Designed to be completed over two months of full-time study, with fully flexible delivery so you can study around work and family. Delivered through our Virtual Learning Environment with tutor support.

Assessment & verification

All units are internally assessed by qualified assessors and externally verified by OTHM. You'll need at least ten weeks to complete the guided learning hours after registering, with support from your online tutor throughout.

Course facts

Awarding body	OTHM
