Overview

This diploma gives you a core understanding of specialised and contemporary approaches to finance and accountancy, empirical and theoretical issues, academic research, and the latest developments in reporting requirements from European, national and local government. It's designed for those pursuing a professional career in accountancy, finance, management, banking or financial services.

Duration & delivery

Designed to be completed over one year of full-time study, with fully flexible delivery so you can study around work and family. Delivered through our Virtual Learning Environment with tutor support.

Assessment & verification

All units are internally assessed by qualified assessors and externally verified by OTHM. You'll need at least ten weeks to complete the guided learning hours after registering, with support from your online tutor throughout.
