UNITS

■ Overview

Finance and accounting sit at the heart of business operations, from SMEs to large organisations. This diploma focuses on the core knowledge and skills required for a senior manager, and is especially useful for learners involved in — or looking to move into — investment and risk, business research, audit and assurance, or managing organisational finances.

■ Who is it for?

It's for working professionals who have completed Level 5 (Year 2 of a UK Bachelor's degree), or learners seeking career advancement and a formal undergraduate qualification on the way to a degree.

■ Duration & delivery

Designed to be completed over one academic year of full-time study, with flexible timing to fit around your individual schedule. Delivered through our Virtual Learning Environment.

■ Assessment & verification

All units are internally assessed by qualified assessors and externally verified by OTHM. You'll need at least ten weeks to complete the guided learning hours after registering, with support from your online tutor throughout.

■ Career paths

- Middle management roles managing organisational finances, investments and risk
- Audit and assurance roles
- Business research roles

■ Progression

Equivalent to a Bachelor's (Honours) degree, this diploma enables learners to:

Progress directly into OTHM Level 7 Diplomas, including the Level 7 Diploma in Business Management

Gain admission to relevant Master's degree programmes
