Overview

Finance and accounting sit at the heart of business operations, from micro-businesses to large organisations. This diploma gives you the core knowledge and skills required by middle managers, who are often involved in financial planning and control, financial management, taxation, financial reporting, and people management.

Who is it for?

It's for working professionals who have completed the first year of a three-year UK Bachelor's degree, or anyone seeking a formal undergraduate qualification on the way to a degree.

Duration & delivery

Designed to be completed over one academic year of full-time study, with fully flexible delivery so you can study around work and family. Delivered through our Virtual Learning Environment.

Assessment & verification

All units are internally assessed by qualified assessors and externally verified by OTHM. You'll need at least ten weeks to complete the guided learning hours after registering, with support from your online tutor throughout.
