UNITS

### ■ Overview

This postgraduate diploma gives you the core knowledge to manage projects at various strategic levels, preparing you to handle the dynamic and complex challenges of planning and implementing a project. It's accredited by UK Ofqual and delivered 100% online, combining practical, work-related skills with theoretical fundamentals.

### ■ Who is it for?

It's designed for mature learners who want to pursue higher studies or professional development in project management, and is equivalent to a Master's degree (RQF Level 7).

### ■ Duration & delivery

Designed to be completed over one year of full-time study, with fully flexible, self-paced delivery so you can study around work and family, or fast-track your learning. Delivered through our Virtual Learning Environment with tutor support.

**1 year** full-time study **flexible** or fast-track

### ■ Assessment & verification

All units are internally assessed by qualified assessors and externally verified by OTHM. You'll need at least ten weeks to complete the guided learning hours after registering, with support from your online tutor throughout.

### ■ Progression

As an Ofqual-regulated qualification, successful completion enables learners to:

**Progress their career in leadership and management**

**Pursue Master's top-up programmes with advanced standing at UK and international universities**
